

SCHNEIDER EQUIPMENT, INC.

A WATER SERVICES CO.

Expect the Unexpected
Safety  Workmanship  Service

[Print This Page](#)

Almost one billion of the world's population lacks access to clean water.
Every 15 seconds a child dies from waterborne disease.
Clean water is the core ingredient to good sanitation.

Schneider Water Services has contributed, and continues to actively contribute, its time, talent and treasure for projects that support the responsible development of water resources, especially for those less fortunate.

SWS and its shareholders have assisted or are assisting with the following:

- [Tarahumara Children's Hospital Fund](#): auction sponsor, drilling equipment donations, numerous gifts for employees purchased at annual fundraiser and cash contributions
- [National Ground Water Research and Educational Foundation](#) (NGWREF): serve on board of directors and President during 2011, 2012 & 2013
- [Developing Nations Fund](#) of the NGWREF: cash donations and auction prizes
- Oregon Ground Water Association Memorial Fund: contributions for groundwater related scholarships
- [Len Assante Scholarship Fund](#) of the NGWREF: auction prizes and annual fundraising
- [Water for People](#): auction fundraising donations and participation
- [Water Supply Well Guidelines for Use in Developing Countries](#): author, editor and initial publishing costs

"More people die from unsafe water than from all forms of violence, including war."
- UN Secretary-General Ban Ki-moon

"If you think you are too small to be effective, you have never been in bed with a mosquito."
- Betty Reese
